

## Recommendation to 28<sup>th</sup> General Assembly regarding dues for 2015-2017

### C1 -Commission on Finance

The IUPAP Commission on Finance (C1) has in its mandate

**Article 2** To recommend to the General Assembly policy concerning dues, contracts and other sources of income. To recommend action to the Executive Council in the case of arrears.

The 2011 IUPAP General Assembly resolved that we should apply an international inflation indicator to determine the annual increase in membership dues. C1 notes that the G20 inflation rate for 2013 was 3%.

Therefore, in accord with its mandate C1 recommends to the 28<sup>th</sup> General Assembly that dues for 2015 to 2017 be based on an annual 3% inflation rate. The recommended dues per share for each year are therefore:

2015	2021 EUR
2016	2082 EUR
2017	2144 EUR
