

Nomination for the 2022 IUPAP Early Career Scientist Prize in the field of Magnetism**Nominee Information**

Name

Last First Middle

Education (Highest degree, year, and place): _____

The nominated candidate must not have completed more than eight years of research after the doctorate by the nomination date, with allowance for career interruptions such as military service and parental leave.

Current position and institutional affiliation:

Work address: _____

Telephone number: _____ Email: _____

Suggested citation (no more than 30 words) on nominee's important contributions

To the best of my knowledge, there are no concerns that IUPAP should be aware of regarding the expectation that the nominee meets the commonly held standards of professional ethics and scientific integrity. I confirm. Other, please elaborate in email submission.

Nominator Information

Name: _____

Position and Title: _____

Address (Institution): _____

Telephone number: _____ Email: _____

Signature: _____ Date: _____

The nomination form should be accompanied by:

- *Curriculum vitae* of the candidate, which must not exceed two pages in length.
- List of six of the candidate's most significant publications, including citation information, not to exceed one page.
- Commentary on the publications, which makes the case for the award, not to exceed two pages.
- Up to three letters of support, up to a maximum of two pages each.

The documents must be collected into a single pdf file called *Surname_ECSP.pdf*, where *Surname* is the candidate's last name. Please keep the file size under 10MB.

The nomination should be sent by the nominator by January 31, 2022 to the C9 Secretary Shinji YUASA by e-mail at yuasa-s@aist.go.jp, and copying the C9 Chair Kai Liu at kai.liu@georgetown.edu.
